

**TAKAPUNA HOCKEY CLUB**  
**THROUGH THE YEARS - HISTORY**  
**Extracts from Club Minute books with some years missing**

**1946**

**THE STANLEY AND NAVY UNITED HOCKEY CLUB** was formed by Sid Mainland, the Stanley Point Groundsman with 2 other stalwarts, Bill Oliver & Ken Darrow. The new club's base was Stanley Point where there were two of Auckland's best grass fields that were shared with the North Shore Women's Hockey Club. There were two teams initially and they competed in the Auckland Senior B Competition in the Auckland Hockey Association (AHA) with its headquarters at Hobson Park.

In those days there were only wooden hockey sticks, usually much repaired and taped possibly with holes drilled into the head of the stick and filled with lead to "undercut" the ball better. We all played in rugby boots with studs as usually in the wet winters the grass fields we played on became mud bogs, a very difficult playing surface. The match ball was white leather, much like a cricket ball, and became heavy and sodden with mud and water. All games started with a "bully" for both halves. Hockey had the offside rule, with three players between the first attacker and the goal, changing later to 2 in front, as Soccer has today and when this rule was finally abolished it freed the game up immensely. At this time the obstruction rule was a fundamental part of play meaning that a player could not have their back to an opposing player. Spins and receiving the ball whilst facing your own goal, would incur an immediate free hit against the player with the ball. We also had to provide "Player\Umpires" for most games and it was extremely difficult to get players to do this and the Club got fined quite heavily if our nominated player\umpires didn't turn up. As well as the 9 grass fields at Hobson Park we also played at Point England, Stanley Bay, and at the outskirts of Auckland City at that time – Papatoetoe and Avondale on council or school grounds. There were lots of cancellations due to ground closures due to bad weather and you had to listen to Radio 1ZB at 7.00am and 8am if it had been raining to find out if you were playing or not. The Harbour Bridge was not completed until April 1959 so all teams who played in the Auckland competition travelled by ferry or the car vehicular ferry across to the city and made their way to Hobson Park which is no longer in existence but it was situated adjacent to the Motorway where the Dilworth School playing fields are now at the top of the Market Road off ramp.

Slim Somerville was another stalwart from the 50's, who played goalkeeper in the top team. His four sons were to go on to play significant roles in the club's progress. Peter Sowden (now deceased), a life member, started playing as a 10-year-old in the late 1940's and kept playing until he was in his 50's. By the late 1950's the club had finished 2<sup>nd</sup> in the Auckland competition several times but did not gain entry to Senior A status until 1959.

**1957**

The name of the Club was changed by deleting "and Navy United" and the Club became "**THE STANLEY HOCKEY CLUB**". This was due to a markedly reduced Navy presence in the Club.

Subscriptions: Seniors £3.5.0 Under 18 years £2.10.0 and Primary Boys 5\-.

This was a successful year with the Club winning four Championships, one being the Eighth grade which won 13 from 13 games recording 66 goals for and 1 against. John Bullock (JB) was in this team as a 7yr old, having started at the club in 1955 aged 5 and continuing to play at 70yrs old in the D2 competition (2020). Financially the Club made a loss of £5.10.9.

**1958**

The Senior B side were elevated to Senior status after winning their Championship 5 years in a row. Agreed that the Club colours would be bottle green shirts, white shorts and green hooped socks. The Club bounced back to make a profit of £78.15.5 for the season.

## 1959

**The Stanley Hockey Club** amalgamated with **Birkenhead Hockey Club** and formed a Takapuna /Milford ward for a junior team rebranding as **NORTH SHORE DISTRICTS HOCKEY CLUB**.

We used the Birkenhead War Memorial Park field for practices and we purchased 100 yards of 6 foot wire netting to fence the Eastern and Western ends of the ground with labour provided by club members.

Agreed that Peter Sowden be authorised to purchase a bolt of material from the Farmers Trading Company for making shirts for the Primary Boy teams who play on Saturday mornings.

The Milford team was based initially on the fields that are now the Poynton Retirement village, moving to Milford school at the commencement of construction of the North Shore Hospital.

## 1960

We won the Auckland competition in the early 60's when players such as Jimmy Palmer, Johnny Anslow, Mal Walland, Norm Hayde, Russell Somerville (all NZ reps) and older brothers Trevor and Lindsey Somerville were playing for North Shore. Jimmy, Russell (mid 60's on) and Trevor were home grown North Shore boys.

**An exciting new era for our Club as over the next few years we built clubrooms at Onewa Domain in conjunction with Takapuna Cricket Club on a 50/50-share basis which became our Headquarters. Geoff and Val Herbert, Bill Miller and Peter and Sherril Sowden (all life members) were the driving force for this growth in our prosperity. This was our home until 1989/90. We competed well in the Auckland competition when we were coached by Rex Smith in the mid to late 70's finishing 2<sup>nd</sup> to 4<sup>th</sup> for 3-4 years.**

## **1969**

Mr Wallan appointed Club Coach.

Re-located our headquarters to a more central position at Onewa Domain where we had 2 men's grass fields.

## **1974**

Moved that Bert Sutcliffe be Club Coach and co-selector with Mr J Somerville. New Zealand Cricketer Bert Sutcliffe was a Cricketing legend as undoubtedly one of the best batsmen in the world.

## **1975**

Takapuna Council disc'd and harrowed Onewa Domain.

Premier Coach Bert Sutcliffe.

## **1976**

Senior Coach Rex Smith.

We used the Shore City Carpark for some of our practices.

Takapuna Cricket Club (TCC) presented plans to our Club to build a 1400 square foot Clubhouse at an estimated cost of \$12-\$15000 with the shell being erected by a builder and the balance of sub-contracting work would be carried out by Club members. TCC already have \$5-\$6000 funds available now and if we agree to a partnership they would assist us in fundraising.

Unanimously moved that "The North Shore Districts Hockey Club should commit themselves to joining with the Takapuna Cricket Club in construction of a Clubhouse in Onewa Domain for dual usage". This is on a 50\50 basis.

The Clubhouse at Onewa Domain was been broken into 3 times in as many weeks so we sent in insurance claims and engaged a Security firm to patrol the grounds and check out the building.

The Club fielded 11 teams, 9 in the AHA competition and 2 in the North Shore. This is 2 teams down on 1986.

3<sup>rd</sup> A won the Championship and 3<sup>rd</sup> B and 2<sup>nd</sup> Restricted came runners up.

Representative-wise the Club did very well with the majority of our Senior Team being selected for the North Shore A Team and Ian Bartholomew was selected for the NZ Services Team, Andy Worrall was named Player of the National Colts Tournament

## 1988

Dudley Evans accepted the position of non-playing Coach of the Senior team and Ken Miller appointed Manager.

Moved that all teams except Senior, Reserves, Div 1, Under 19's and Under 15's play in the NHHA Competition this year.

Club made a donation of \$1000 to the Astroturf appeal by NHHA.

Moved that 26 unfinancial members have until 21<sup>st</sup> May to pay their subs or names will be listed in the Clubrooms.

The first sod would be turned for the new NHHA Astroturf 5<sup>th</sup> of December at 10 am and all are welcome.

1988 was our last year in the Auckland competition. We won the Senior Reserve grade competition that year. Many of the young members of that winning side and that year's senior side were to split up and form new clubs the following year, to form the basis for a new North Harbour Men's competition.

Takapuna was instrumental in assisting the newly formed North Harbour Association financially in order to build the new sand turf.

We fielded 4 teams in the AHA Competition and this was our most successful year for some time with our Seniors being placed 4<sup>th</sup>, Reserves winning the Championship and Div 2 Restricted winning the Championship. It was the first time ever that our three major teams have had full time Coaches and the results achieved are confirmation of the great work done by these people. Dudley Evans Senior Coach, Brent Miller Reserves Coach, Jimmy Palmer Div 2 Restricted Coach.

There was a great deal of controversy over the AGM proposal to donate \$16,000 out of Club funds to the North Harbour Hockey Trust with the freezing of the Club's bank accounts, threatened legal action, claims of an unconstitutional Annual General Meeting and much acrimony. A very heated subsequent Special General Meeting upheld the making of the donation 64 versus 51 votes. Four people immediately resigned from the Club Executive following the result of the vote.

## 1989

**First year of the new North Harbour Men's competition. Our whole club, then the only Men's club in North harbour, split with senior members going off to form new clubs - Bill Webb and Peter Escott to form ABC, Kevin McPheat and Mike Vallant to form Navy (then re-named Ariel and now ECB), Merv Huxford to form Hibiscus Dairy Flat and Mark Dempster to form Huapai (now NSU).**

Opening of the new NHHA turf in June 1989 – The Takapuna Club asked to arrange and run the Quick Fire Raffles on the day.

The Chairman reported that the Takapuna Club was well represented at the NHHA Grand Finals with teams in all three finals. Takapuna C and Takapuna-Wairau won their respective finals, but unfortunately the Premiers lost dismally to a rampant ABC side.

## **1990**

Premier Team:

Dave Peterson Player Coach, Larne Edmeads, Murray Brooker, Geoff Moore, Steve Hay, Robert Stephens, Craig Postles, Blair McFarlane, Scott Wrigley, Duncan Parley, Andrew Parley, Greg Rees, **Steve Earwaker** (still playing today).

In 1990 we had six teams entered in the AHA competitions: Senior Team, 2<sup>nd</sup> Grade, 3<sup>rd</sup> Grade, 4<sup>th</sup> Grade, 5<sup>th</sup> Grade and 6<sup>th</sup> Grade but unfortunately came close but didn't win a single Championship.

Financially the Club failed to perform due to the financial drain placed on the Club's resources by the Onewa Domain Clubrooms exacerbated by the fact that Onewa Domain fields were only played on for 2 of 12 weekends. The fact remains that the Club has to make some hard decisions about the future of the Clubrooms.

## **1993**

**Amalgamated with Takapuna Ladies.**

**1996** (I think) The Takapuna Premier Men ended ABC's long dominance by winning the Men's final 6-4. Takapuna Men had endured some tough times in the early 90s but finally turned things around against a star studded ABC team. The Takapuna Prem Men's in the final was Pierre Jones, Darren Jones, Brett Hood, Shane Hood, Steve Earwaker, Brent Edwards, Andrew Newson, Mike Soons, Darren Joyce, Gavin Read, Alex Campbell, Glen Morland. This information from Brent Edwards.

**The Prem Men won both the Championship and the Grand Final while the Prem Women won the Championship and were runners up in the Grand Final.**

The Chairman Gary Wilson presented his report on the 2012 season:

We have had another successful year with 7 Men's teams, 7 Women's teams, 4 Masters teams, 1 Presidents team, and 5 Youths teams. Takapuna won the top 4 trophies in the Winter competition and won 4 trophies in the Finals Day round robin competition.

Takapuna is well represented in the following areas 2 on NHHA Board, 1 on HHCT Trust Board, 1 NHHA honorary solicitor, 1 Masters committee, 3 Junior committee and 5 Umpires. We supplied 9 representative coaches and 6 representative managers for North Harbour and 1 NZ Master's coach, plus numerous club members involved in school hockey.

The club has 6 current Black Stick players, 2 junior Black Sticks, 6 NZ Masters, 2 NZ U18's, 10 NHL, 5 NHL development, plus 63 age group representatives.

All men's teams received their new uniforms and we had to purchase a further 30 women's uniforms. We held a successful fund raising evening with the night at the trots. A special thanks to our sponsor's RCN (Joe and Pip Capizzi) and the Lion Foundation and NZCT, without their generosity the club could not function as smoothly as it has. We have and will continue to pay our two prem coaches and offer discounts to any player that coaches any Takapuna team. We will continue to subsidise all Black Stick players subs and offer \$100 discount off all NHL players fees, if they come back to the club in the following year. Our face book has been running successfully thanks to the efforts of Jo O'Connor, Sheree Carter and Rebecca Wilson. We have struggled this year to find enough Goal keepers for each team, we had some keepers having to play 3 games a week end, the committee is going to be more proactive in stopping other clubs from poaching our goal keepers as well as trying to recruit/ train/upskill more keepers. The Committee has recognised that the Clubs future is in the growth and development of the age group representative players and our Youth grade, we will be actively nurturing their retention and development. There will be challenging years ahead for the club with the new Harbour rules where it will be difficult to recruit Black Stick players, NHL players or some age group players due to the points system now being given to each Prem team. I wish to thank your Committee for their effort, time and resources that they have willingly contributed to the smooth running of your club.

Areas to work on for the 2014 season: Proposed Inter-City competition and how it will affect our Club, Club WOF, Sponsorships, Striker/Goalie specific training, pre-season fitness and Coaching for the Coaches.

The ladies side managed to secure a sponsor for 2015 and 2016 -"NEST" A big thanks to Brent and Pat Miller for this.

The club would struggle financially if it wasn't for our other Sponsors - NZCT, Lion Foundation and Pub Charities. For all of their 2015 funding we thank them.

Their funding enabled us to undertake the Striker and Goalie training. (whilst it was a lower turn out this year mainly due to being undertaking later in the year and clashing with Rep and age group trainings) plus new balls, bibs, cones, ball bags, coaching folders, uniforms and first aid kits.

The Monkey Survey on Prize Giving we conducted earlier on in the year indicated that we as a club were looking for a change of venue and format. Eddie and Kimmy organised our very successful end of year prize giving at the "New Brew".

Go Hockey has indicated that they would like to bring out a Takapuna hockey range of clothing with a percentage of sales going back to the club. I will advise more when we have worked out more detail.

The club held a mid-year Trot's evening for a fund raiser. It was a great night enjoyed by all and we also held a very successful raffle.

## **2020**

Covid year. We got two weeks of hockey before New Zealand went into Alert Level 4 full lockdown on March 29 with the whole country in full isolation until April 27 when we moved to Level 3. On May 13 we moved to Level 2 until June 8 when we moved to Level 1. On August 12 because of 4 cases of Covid 19 in the community Auckland moved to Level 3 and the rest of the country to Level 2 until August 30.

This impacted hockey and all sports considerably. NHHA extended the season from mid August to October 17 to try and get a meaningful competition. While the Prem's played around 20 games most of the lower grades only played around 11 games. Also North Harbour kept all of the team fees they charged us before Covid and only refunded us for the turf times for games we didn't play. We had to wait until nearly the end of the season before they sent us their Refunds Policy. Our subs moved from the original \$520 to \$440 and then to \$360 to line up with the subs charged by two other Clubs.

We bought a permanent gear locker from NHHA.

Brent Hawkins and Hannah Le Quesne are our Council of Clubs (COC) representatives.

All of our funders Lion, NZCT and Pub Charities cancelled all funding due to Covid.

Hockey New Zealand reduced it's Affiliation Fee by 67% from \$51.35 to \$16.94 for 2020.

We contacted all players after the first lockdown and only 13 decided not to play due to financial situations. Decided to have no fundraising events this year.

We had our Prizegiving on November 6 which we had as a free event and about 150 people turned up. We moved from the old NHHA Clubhouse and Turfs in December.'

Normally our 2020 AGM would be held in November 2020 but due to Covid and the interrupted and extended 2020 season we were unable to prepare our Accounts in time to have our AGM in 2020. The New Zealand Companies Office allowed us an extension to hold our AGM and file our Financial Accounts by March 31 2021.

### **Takapuna Hockey Club – Chairperson's Report 2020**

I am now into my second year of chairing Takapuna Hockey Club. It is an honour to lead such a strong club, in fact, my first job as Chairwoman was to accept our 'Club of the year' trophy at the North Harbour Hockey awards.

We head into 2021 in a strong position with high numbers attending trials and very competitive teams. This year marks our 75th anniversary and one which will be celebrated in the manner in which it deserves. We hope to have as many past and present members attend as possible.

As with many sectors, Covid affected our club financially as well as through the absence of promotion/relegations affected our goals for 2020 of promoting more teams to higher grades. However, the Committee have plans in place to look to make up financial losses as well as coaches and players focussed on winning grades in order to create space for the many players wanting to join Takapuna.

The success of our club is due to the commitment of our players, managers, coaches, supporters and Committee. We have strong club loyalty with Prem coaches Jay Kalidas and Dave Kosoof entering their 3rd and 4th seasons respectively.

This season we have new members joining our committee as well as club members offering to take on roles to share the load.

I would like to take the time to acknowledge and thank the committee for their ongoing hard work behind the scenes in keeping this Club running. This small group of people use their initiative and give up much personal time to get jobs done.

#### **COMMITTEE**

**Greg Datson** – Secretary. This club would not operate without Greg's commitment as our Secretary. I would like to personally thank Greg for the time he puts in. Without him, I would not be able to do my job whilst working full time.

**Hannah Le-Quesne** – Umpiring appointments and monitors the gear locker at Harbour. Hannah takes on any tasks asked of her and is also our COC representative.

**Karen Morgan** – Women's uniforms, Karen ensures that all uniforms are ready to go and hands them out at the start of the season as well as collecting at the other end, a huge task. She is also our Secretary reliever.

**Lani Morgan**-Lani spends a huge amount of time helping with youth hockey organising teams, coaches and managers. Lani actively organises trials day and assists with uniform distribution. Lani is happy to assist in whatever job is asked of her.

**Nicole Archer** – Assists with all social events and any club task asked of her. This year she will be taking on fundraising. She also plays a part in our Youth hockey.

**Aimee Rednap** - New committee member who is in charge of training allocations.

*Craig Radford has offered to join the committee and is happy to take on specific jobs.*

We have several club members who anonymously support our club by sponsoring individual players suffering financial hardship.

### **SPONSORS**

We have 3 sponsors, Dave Langevelt, with Origin ID, Tania Stephenson with Hands On, & Brent & Pat Miller with The Miller Family Trust. These businesses and trust are owned by 3 long serving Takapuna Club members. The club is very grateful for this assistance.

### **The 2021 season ahead**

We have secured the continued services of Dave Kosoof as our Prem men's coach and Jayesh Kalidas as our Prem women's coach with Brianna Lupton being brought in as assistant coach to Jay and Dave Langevelt as assistant to Dave Kosoof.

We also look forward in excitement to our 75th anniversary celebration later in the year.

## **Takapuna Hockey Club Chairperson's Report 2021**

I am now into my third year of chairing Takapuna Hockey Club and it is an honour to lead such a strong club.

We head into 2022 in a strong position with good numbers attending trials and very competitive teams. We have had to drop one Men's team as we have had a number of young talented players induced by other Clubs which is a matter we have raised with Harbour. Pleasingly I managed to get Harbour to reinstate our 2<sup>nd</sup> Div1 women's team which meant that we could fairly accommodate all our players and continue to provide opportunities for our youth players to grow.

In 2021 Covid affected our club both financially and the season ended two weeks prematurely due to the August 17 Covid Lockdown which meant that Finals Day was cancelled along with promotion/relegations games which affected our goal for 2021 of promoting more teams to higher grades. Disappointingly this is the second year that we have been adversely affected from promotion games due to COVID.

The success of our club is due to the commitment of our players, managers, coaches, supporters and Committee. We have strong club loyalty with Prem coaches Jay Kalidas and Dave Kosoof entering their 4th and 5th coaching seasons respectively.

As well as our Committee we also have other club members offering to take on roles to share the load including our members who also umpire.

I would like to take the time to acknowledge and thank the committee for their ongoing hard work behind the scenes in keeping this Club running, most people would not realise what is done to keep the wheels turning. This group of people use their initiative and give up much personal time to get jobs done.

### **COMMITTEE**

Greg Datson – Secretary. This club would not operate without Greg's commitment as our Secretary. This role is more or less a full time role for Greg. I would like to personally thank Greg for the time he puts in. Without him I would not be able to do my job whilst working full time.

Fergus Slorach – Treasurer, Fergus continues to refine our financial practices ensuring that we have an efficient system. He has his finger on the pulse and has the best interests of the club at heart. Fergus supports the club on a practical level at all club events. I thank-you for your commitment to our club.

Hannah Le-Quesne – Hannah's official jobs are umpiring appointments and monitoring the gear locker at Harbour. However, Hannah takes on any tasks asked of her, uses her initiative to purchase what is needed for the club and is

also our COC representative alongside myself. She ensures club members are up to date with Harbour news via social media.

Karen Morgan – Women's uniforms, Karen ensures that all uniforms are ready to go and hands them out at the start of the season as well as collecting at the other end, a huge task. This year has seen Karen overseeing and organising our soon to arrive, new uniforms. She is also our Secretary reliever.

Lani Morgan – Lani has a strong commitment to our Youth programme which is a huge organisational task. She also takes on many jobs in the winter season from coaching, to selecting to stepping up to any task asked of her and many more that she does off her own bat. Lani also oversees our website.

Nicole Archer – Nicole drives our social media and promoting Takapuna via various channels. Nicole assists with all social events and any club task asked of her. This year she will be taking on fundraising and well as a coaching role. She also plays a part in our Youth hockey.

Aimee Rednap - Aimee is new committee member who has taken on the task of training allocations. She willingly takes on any role and is organising our upcoming 'Uniform Reveal'

Lissa Jackson – A new committee member, Lissa played a large part in organising our ball in 2021.

Will Elliot – Will is in charge of our Boy's Youth division and is passionate about player development. He played a big role in men's trials this year.

*I also acknowledge Aidan Hill, a club member who steps up whenever he is asked from coaching, to bringing his BBQ and setting up our gazebo and the big task this year of overseeing Men's selections with Will Elliot.*

I cannot thank this team enough for all that they do to ensure the smooth running and success of this club.

## **2021 TEAMS**

Our season started essentially with many of our senior club members representing North Harbour at Masters, but unfortunately the National Tournament at Tauranga got cancelled at the last moment due to Covid. After the end of the season we did manage to organise our successful Youth grades teams, run by Lani Morgan and Will Elliot.

### North Harbour Competition

We had 7 Men & 8 Women's winter competition teams.

- 2 Boys & 2 Girls Youth teams.

and 4 Masters teams.

Total 23 Teams

## **RESULTS**

We have had a very successful year, winning four of the eleven NHHa Championships with a further 3 teams coming second.

### 2021 Inter City Competition

With some key games not going our way:

Men finished fifth.

Women finished seventh.

A big thank you to our Prem Coaches Dave Kosoof (Men) & Jayesh Kalidas (Women) and to their hard working managers, Ray Neill for the Prem Men & Hannah Le Quesne for the Prem Women.

## **75<sup>TH</sup> ANNIVERSARY CELEBRATION**

This celebration was the highlight of 2021 and was well attended at the function centre down on Northcote Wharf. A highlight was the awarding of a well deserved Life Membership to an unsuspecting stalwart Dave Kosoof. It was a dress-up night enjoyed by everyone who attended and my thanks to the Committee members who assisted me in making it happen.

## **PRIZEGIVING**

Due to Covid restrictions we haven't been able to hold our 2021 prizegiving but we have announced the team medal winners for the Most Valuable Players and Most Improved Players.

## **REPRESENTATIVES**

Most Junior Age Group Rep hockey didn't happen in 2021 because of Covid.

HNZ did hold the Under 18's Tournament and we had 9 Club players in the Prem 1 teams and 7 players in the Prem 2 teams.

We were also well represented in the Ford National Hockey Championships with 6 Men and 5 Women in the Premier teams with Dave Kosoof coaching the Men's team. We also had 6 players in the Prem 2 second tier teams.

At the NZ level we had 3 players in the Black Sticks and 2 players in the Black sticks Development Squads.

## **FUNDRAISING**

We made a decision not to fundraise in 2021 due to financial pressures brought on by Covid for our club members. We will look to recoup some losses through fundraising events in 2022.

We have several club members who anonymously support our club by sponsoring individual players suffering financial hardship.

## **SPONSORS**

Go Hockey through Life Member Brent Edwards once again supported us with his valuable Go Hockey sponsorship providing cash, equipment, and a number of player and Coach sponsorships including 8 premier players/coaches.

In 2021 we had 3 shirt sponsors, Dave Langevelt, with Origin ID, Tania Stephenson with Hands On, & Brent & Pat Miller with The Miller Family Trust. These businesses and trust are owned by 3 long serving Takapuna Club members and the Club is very grateful for this assistance.

### **Black Sticks**

We congratulate David Brydon & Megan Hull for their reselection for 2022. It was a proud day for Takapuna when Megan was also announced co-captain of the team.

We also proudly support Charl Ulrich and Ella Hyatt-Brown, two players who have loyally come through our ranks and are selected for the 2022 Development squad.

### **The 2022 season ahead**

We have secured the continued services of Dave Kosoof as our Prem men's coach with Jay Kalidas assisting and have engaged Brett Leaver as our Prem women's coach. Brett is a former Takapuna player and is well known to the older Club members.

Here's to another rewarding and successful year in 2022.

Regards Katrina Hosken  
Takapuna Hockey Chairperson.

Treena also thanked Erica for her efforts in making the new MitoQ sponsorship happen.

### **TREASURER'S REPORT FOR 2021**

The 2021 Financial Accounts have been sent out to everybody.

#### Overview

The club is in a very healthy financial position despite the disruption caused by COVID over the last 2 years. In 2021 we made a profit of \$1,901.

The winter season was cut short a week before Finals Day, but we decided not to refund any fees as some teams had already played all their games and NHHA did not provide a refund.

We have a new and very generous club sponsor in MitoQ and we greatly appreciate their support.

#### 75th Anniversary Ball

The club contributed \$3000 towards the cost of the Ball - this was to cover complementary tickets for life members, decorations and the welcoming drink.

#### Overdue Fees

There remains less than \$1000 in unpaid fees from 2021

#### Committee Rebate

The club has decided to offer a \$100 fees rebate to committee members in line with the rebate offered to team managers. Some members have indicated that they will decline the rebate and the total cost will be under \$1000 per year.

#### Life Members play for free

In line with the practice at other clubs, we have decided that life members will be offered a full rebate on playing fees for the winter season, starting this year. The projected cost to the club is around \$2000 per year.

#### Premier team coaches

We have increased the allowance for our Prem coaches to \$8,000 per season.

We had fallen behind what is offered by competing clubs and needed to get closer to what they are paying in order to recruit/retain our coaches.

The new sponsorship will cover the additional costs for the first two years, after which we may solicit donations or investigate other fundraising options.

#### 2022 Fees

We are proposing to keep the base fees unchanged at \$520 despite a small increase in NHHA charges. This is partly to compensate for the truncated season in 2021 and will not materially affect the club's financial position.

#### Donations

-----  
Club members made donations of almost \$12,000. This helped to mitigate the financial impact of COVID and financed the purchase of video equipment used primarily by the Prem teams.  
A club gazebo was also donated and is available for use by members.  
Fergus Slorach – Treasurer

Brent Miller asked about the anonymous donors and thanked these Club members and well as the great job is getting the outstanding subs to below \$1k.  
Fergus advised that the Takapuna Gazebo is available for club members use.
